

TWSE Exercise 4: Public Speaking

Danilo Carastan-Santos and Enikő Kevi

10th of November 2023

1 Exercise

Talk about the problem of inequality in society from the economical point of view (for example, some people do not have enough food, while others fly around on their private jets).

The presentation must be **2 minutes** long!

Outline:

1. State the problem
2. Talk about three specific aspects of the problem
3. Name possible solutions
4. Conclude

2 Learning objectives

- speak loud enough for the audience
- speak with the right pace
- articulate properly
- avoid using unnecessary sounds
- pay attention to intonation
- pay attention to body language

3 Plan

Everyone will do the following:

1. 5 minutes of individual preparation time
2. presentation
3. receive feedback
4. second presentation
